

FOCUS 8

EXTENDED PROFILE

OVERVIEW

Focus 8 is a modern ERP application suite that provides a unified solution that caters to specific enterprise management needs. The comprehensive software integrates and automates the organization's core business functions and operational processes.

Advanced business intelligence embedded system employs 'slice and dice' methodology to provide businesses with actionable insights and help them stay ahead of their competitors. It also complies with the tax regulations in the USA providing automated tax return filing. The fully scalable and customizable solution is deployable in both on-premise and cloud.
